

## **Foremost Opens 55+ Neighborhood at Terramor MPC**

**January 8, 2018**

Newport Beach, CA-based Foremost Companies commemorated the grand opening of its third 55-plus neighborhood and fifth neighborhood overall at Terramor in Corona, CA. This new unique multigenerational master-planned community is planned for 1,443 single-family homes spanning 16 neighborhoods when completed in the hillsides of the Temescal Valley just south of Corona.

As the master developer of Terramor, Foremost Companies celebrated the opening of CalAtlantic Homes' Sterling, a 105-home neighborhood with unique array of features and amenities. Floor plans range from 2,206 to 2,483 square feet, with up to three bedrooms, two to three bathrooms and two-car garages. It will be the builder's first 55-plus neighborhood in the Inland Empire, notes CalAtlantic Group, Inc.'s Martin Langpap.

Currently under construction, The Terrace Club is one of the community's most anticipated amenities exclusively for 55-plus residents. The six-acre recreational area includes a 20,000-square-foot clubhouse that's slated to be completed this summer.
