September 04, 2018

Foremost Companies has announced the grand opening of The Terrace Club at Terramor, its new multi-generational master-planned community in Riverside County's Temescal Valley.

The Terrace Club is one of the community's most anticipated amenities exclusively for 55+ residents, with a six-acre outdoor recreational area with a 20,000-square-foot clubhouse. The public is invited to celebrate the Big Reveal of The Terrace Club on Saturday, September 8th, 2018 from 11 a.m. to 3 p.m. with activities including tennis and pickball lessons, barre classes, live pottery demonstrations, live music performances and art classes.

The Terrace Club will feature a resort-style pool with surrounding cabanas offering relaxation and socialization, while an indoor saltwater pool, extensive fitness center, tennis courts, and bocce ball and pickleball courts will give residents the opportunity to live an active lifestyle in the club's social atmosphere. With an emphasis on health, the gym and wellness studio will offer a plethora of classes, with locker rooms equipped with saunas for post-workout relaxation. The Living Room, crafts room, and other multipurpose rooms will provide spaces for gathering, entertainment, and socializing throughout the year.

"When we broke ground last year on the Terrace Club we had much anticipation and excitement from our 55+ residents who are looking forward to visiting the club and taking advantage of its amenities, and

that excitement only continues to build,” said Steve Cameron, president of Foremost Companies. “The inspiration behind the interior of the club is to make it an extension of residents’ own homes, giving them an alternative place to relax, entertain, and recharge. The expansiveness of the club’s outdoor area, reinforces the community’s emphasis on embracing the region’s natural scenery and encouraging an active lifestyle.”

Upon completion, Terramor will include 1,443 single-family homes across sixteen neighborhoods in three phases. Phase one includes six neighborhoods, four of which are specifically dedicated to 55+ buyers.
