

Terramor's Terrace Club Unveiled in Temescal Valley

September 10, 2018

The Terrace Club at Terramor is now open in the Temescal Valley, south of Corona, CA. Foremost Companies debuted the 20,000-square-foot clubhouse as part of the six-acre outdoor recreational area within its new multigenerational master-planned community in Riverside County.

The club at 11750 Temescal Hills Dr. will feature a resort-style pool with surrounding cabanas, an indoor saltwater pool, extensive fitness center, tennis courts, and bocce ball and pickleball courts. With an emphasis on health, the gym and wellness studio will offer a plethora of classes, with locker rooms equipped with saunas for post-workout relaxation. The living room, crafts room, and other multipurpose rooms will provide spaces for gathering, entertainment, and socializing.

Upon completion, Terramor will include 1,443 single-family homes across 16 neighborhoods in three phases. Phase one includes six neighborhoods, four of which are specifically dedicated to 55+ buyers.
